A **Charcuterie** is an artful presentation of cheeses, meats, nuts, fruits, spreads, mustards, bread or crackers. The joy of planning a charcuterie is finding interesting patterns of boards and colorful bowls to present to your guests. And of course, pairing the choices with exquisite **Capizzano Olive Oils & Vinegars**.

Come and enjoy a relaxing time as a **Dante Family** to experience the Charcuterie with four different gourmet cheeses from around the world, gourmet nuts, fruits, a delicious walnut green bean spread, orange cranberry salsa, and Italian chocolate bark. The select menu will be paired and made with our olive oils and aged balsamic vinegars. The wine will complement the cornucopia of flavors.

Come and join us for this very special event.

Per Salute! Suzanne, Stephen and the Capizzano Team
